

Summary

UX/Product Designer with a research-driven approach and experience collaborating with cross-functional teams across digital and physical mediums. Skilled in interface design, brand identity, and physical prototyping, with the ability to present directly to industry clients and stakeholders. Brings strategic thinking and hands-on craft to every deliverable, from early-stage research through final production.

Education

Savannah College of Art and Design (SCAD)

Sep 2022 - May 2026

B.F.A User Experience Design

Graduated Magna Cum Laude and earned Dean’s List every semester, freshman through senior year. Courses in human factors, interface design, electronic prototyping, physical and digital product design, user research, and graphic design.

Experience

CBS Sports x SCADpro

Sep 2025 - Nov 2025

UX Research Lead

Led UX research for a 20-person multidisciplinary team in partnership with CBS Sports, redesigning the broadcast GFX package for the World's Strongest Man Competition. Assisted in shaping the overall art direction redesign and presented the final deliverables directly to CBS stakeholders.

Checkmate Strategies

Sep 2023 - June 2026

Graphic Designer (part time)

Created digital graphics and visual assets for political mail campaigns, impacting thousands of voters and supporting client outreach and communication goals.

Bucatini Cafe

Sep 2024 - Oct 2024

Graphic Designer

Redesigned the restaurant's menu, balancing brand identity, and readability to enhance the guest experience for two separate locations.

Projects

Coral Keepers

Jan 2026 - May 2026

Physical Prototype Lead

Led a team of 6 designers in the physical production of a functional coral growing water tank prototype (2×1×1 ft) from concept to completion. Assisted in the development of an accompanying LMS website and designed supporting digital assets teaching a coral health curriculum. With the goal of pairing digital learning with the physical growing tank to reinforce hands-on understanding of coral health and eventual donation of new grown coral.

Flock Sports

Jan 2023 - Jan 2026

Founder and Digital Designer

Founded and grew a social media sports brand from the ground up, designing all visual content. Achieved over 3M impressions and 6,000+ followers organically within 3 years.
